

Friday Night Live Group

The Friday Night Live meeting had its beginning in March 2009. The original members that played an important role in getting this meeting off the ground were Cal B. and Phil H. The first meeting was held at the Ambulance Building in Fort Erie and shortly after re-located to St Paul's Anglican Church on 32 Idylewylde Str. in Ft. Erie. According to GSO Archives, it was formally registered with GSO N.Y. as a group on May 14, 2009. When Lynn C. took over she re-established it with the GSO N.Y. the group anniversary is celebrated on March 13. The meeting time has changed to 7:30 pm and has remained so over the last few years. It has remained an Open Discussion Meeting and after COVID changed to the first 3 weeks of the month an Open Discussion Meeting and the last week of the month a Speaker Meeting.

The group has (as most groups) experienced its ups and downs. Like all groups, Friday Night Live was forced to shut down in 2020 due to COVID restrictions but re-opened in 2023. Thanks in part to the dedicated members the Friday Night Live Group is alive & well and is committed to helping people in recovering from alcoholism.
