

The Village Group

The Village Group first contacted the G.S.O., New York via a contribution dated April 1968. A subsequent Group Information Card indicates the group's name was the Fenwick Village Group. The group met on Saturdays and to the best of our knowledge, has always had a meeting start time 8:00 pm.

Gil W. and Lorne S. were listed as the group's contact people. Over the years, many dedicated AA members including Len B and Helen B had kept this meeting going through rough times and the smooth times. It continues to remain an Open Speaker Meeting and has not changed its location or format since its beginning in 1968.

In 2020, during the COVID-19 Pandemic, the Village Group was forced to shut down but re-opened again in 2023. Thanks to its purposeful members, past and present, the Village Group proves the power of "one alcoholic talking to another" in Alcoholics Anonymous. .
