

## History of the Action Group

Recent research shows the Action Group started in the summer of 1995 by Myles from the Chippawa 12 & 12 Group. Myles was a member of the Action Group in Clinton, ON. When that group closed, Myles decided to use the same name here in Niagara. Our first home was at Fallsview Brethren in Christ Church at Drummond and McLeod Rd. Myles had the doors opened there for a few months then was called north for work. He asked his sponsee Scott McK to keep the doors open. Meetings here were attended by Mario V, Frank F, Rose, Bev and Patricia F and our George D.

Our second home was Rock Community Church, corner of Franklin Street and Barker in Niagara. Our third home was The Niagara Worship Centre on Frederica Street and now at Mount Carmel Spiritual Centre. All along by limited information we always had the date, January 22, 1996 as the group anniversary date. We have celebrated this date for quite some time and this makes us 27 years old as the Action Group as of January 2023. Thank you from the Action Group family to all our friends who visit us here. God Bless all of you.
