

# HEALING CIRCLE GROUP

## September 1, 1992

“The North American First Nations regarded the circle as the main symbol for understanding life’s mysteries” (dancing to eagle spirit society website quote).

There is said to be power in group energy and a healing circle brings the power together to help people to heal and cope with one another.

An early attempt to hold regular AA meetings at the Niagara Regional Native Centre using the Healing Circle name was unsuccessful due to low attendance. However, a small group who had some native background tried again with their first meeting on Sept 1, 1992. They were Larry H., John H., Virgil A. and Pat A. They wanted to keep it a regular AA meeting with AA ideals, but they decided to include the English translation of The Native American Prayer with the closing.

The Healing Circle AA group still has its doors open to all who are in or seeking recovery with an open discussion format held on Wednesdays at 7:30 PM at the Niagara Regional Native Centre, 382 Airport Rd, Niagara On The Lake L0S 1J0.

ALL WELCOME !
