

Keep It Simple Group September 2, 2011

There has been an A. A. Open Discussion meeting, Friday morning at ten o'clock with Bessie L. and John and Patricia F. keeping the doors open, since March 2006. Over the years, the traditions suggested gradually that we become a group. There was research done through discussions with other AA members as well as communication with General Service Office in New York City, U S A.

The call went out to the membership and Ken K., Ray G., Mark B., and Donna P., signed on as group members with Mark M. joining them to become the 'Keep It Simple' Group of AA. The group was registered with GSO, our local District 13 and Area 86 becoming a Group on September 2nd 2011.
