

The Victory Group

The Victory group was originally called The Thorold group 2. Meetings were held on Saturdays at noon for about 3 years at which point attendance began to decline. Facing closure, Beverly C was approached by one of the members with the idea of taking over and reviving the group.

Unfortunately, the current group meeting time was not was not practical for Beverly. Facing closure of the group, she enlisted the advice of an old timer who advised her that closing the group was not in AA's best interests

Beverly then asked two other women, Marlene Y and Dawn B for a one year commitment to help her launch and run a new group at a new time that would work for them. All three agreed to work together for at least the one year to establish the new group

As a result of their joint efforts, on Tuesday July 6th 2004 at 7:00 P.M. the doors of the Victory Group were opened.

The group has been going strong enjoying a solid membership ever since. Beverly C and Marlene Y are still staunch members

We invite you to join us Tuesdays at 7:00 P.M. at

The Knights of Columbus Hall, rear of building
21 Queen St., S. & Sullivan
Thorold
