6. Lack of information and information that cannot be validated may contribute to a delay in your posting request. As well, questionable postings will be forwarded to the Intergroup Body for further review.
7. Any Alcoholics Anonymous Events wishing to be posted on our Website will be reviewed on an individual basis and if necessary, be forwarded to the Intergroup Body for further review.
8. These instructions are subject to change and additional information may be required as times change. (eg.the introduction of Hybrid Groups and the recent decision to register Online groups with the A.A.W.S. Head Office in New York)
9. The Intergroup Website is considered a public medium and we have a responsibility to maintain the integrity of our Website. Following the 12 Traditions of Alcoholics Anonymous is the solid foundation we base our decisions on.
